

IACR Fellows Ceremony
Crypto 2010

www.iacr.org

***IACR Fellows Program (•2002):
recognize outstanding IACR members for
technical and professional contributions that:***

- Advance the science, technology, and practice of cryptology and related fields;
- Promote the free exchange of ideas and information about cryptology and related fields;
- Develop and maintain the professional skill and integrity of individuals in the cryptologic community;
- Advance the standing of the cryptologic community in the wider scientific and technical world and promote fruitful relationships between the IACR and other scientific and technical organizations.
